- Greggory Nekrasovas

"I'm beyond excited to announce that my musical has been selected out of hundreds of submissions as one of 25 semi-finalists in the SheNYCarts Theater Festival! I wouldn't have even known about this opportunity if it had not been for the Conference."

- Judy Pancoast

"The conference helped me go from "wanting" to "believing" and for that I am forever grateful to you and your staff's efforts in creating a more welcoming, educational network of dreamers and doers."

- Crissy Nordin

"I am writing to say thank you. I have an original Musical opening up tonight in Sydney, Australia. After attending the Conference last year I walked away inspired to find an original piece of theatre and bring it to life."

- Julian Betchelor

"The quality of professionals who spoke at the conference was epic. I could not believe I was able to converse with these top pros -- and they were so sincerely interested in my questions."

- Kathleen Boluch

"The conference provided me a window into a foreign world filled with people just trying to create something good and share it. I don't say lightly that it was life affirming. Can't wait for next year. Thank you."
