***Once On This Island*** is the Broadway musical celebration that sweeps us across the sea to a small village—where, in the aftermath of a great storm, a joyous new life begins. It is the tale of Ti Moune, a fearless peasant girl who falls in love with a wealthy boy from the other side of the island. When their divided cultures threaten to keep them apart, Ti Moune, guided by the island gods, sets out on a remarkable quest to reunite with the man who has captured her heart.

Bursting with Caribbean colors, rhythms and dance, the story comes to vibrant life through the score by Tony Award® winners **Stephen Flaherty** and **Lynn Ahrens** (*Anastasia*, *Ragtime*). The striking production by Tony Award-nominated director **Michael Arden** (*Spring Awakening* revival) transforms the reality of a tropical village devastated by a storm into a fantastical world alive with hope.

***Once On This Island*** premiered at Playwrights Horizons in May of 1990. The Broadway production opened in October of that year and ran for 469 performances garnering eight Tony nominations including Best Featured Actress (LaChanze), Best Original Score, Best Book of a Musical and Best Musical. The 1994 West End production won the Olivier Award for Best New Musical.
