

THE PRODUCER'S PERSPECTIVE

A PRODUCER'S OPINION ON EVERYTHING BROADWAY AND BEYOND

THE WRITER'S EDITION

Happy Friday, Writers!

Ok, so a bit of news. FYI, this will be the last exclusive Writer's Newsletter.

Now, come on, no sad faces.

Here's why:

First, as you may have read, I've recently gone back to daily bloggin' and weekly podcasting. Read all about it [here](#).

Second, in an effort to not inundate your inbox and because I'm writing so much more content on the blog, I want to make sure that you aren't getting the same stuff twice.

So after today, you won't get a Writer's Newsletter from me on Fridays.

But I am still writing about writing . . . and you can get that content in two ways:

1. Subscribe to The Blog

[Click here](#) and scroll down to see how to **sign up to get my blogs** emailed to you directly. And you now have a choice of Daily or a Weekly recap.

2. Subscribe to PRO

Did you know that the majority of TheProducersPerspectivePRO members are writers? That's why I cater my content on PRO towards writers.

I write exclusive content for Pro members not seen anywhere else on writing, self-producing, raising money and more . . . including a Tip Of The Week that you get each Monday, monthly webinars (there's one coming up on rewriting), and more. We also offer monthly networking events, and a ton of other exclusive opps that I don't offer to others.

You can learn more about it [here](#).

Pro is \$97 a month, but because I feel badly about yanking this newsletter away from you that I know so many of you love, **I'm going to let you kick the tires on PRO for only \$27 instead of the \$97 that so many others are paying.**

To get that discount, you MUST click [here](#). Don't join anywhere else. [Join here](#) now to save that \$70.

Thanks for reading, and please do keep reading. Cuz I've got some juicy news coming up! Including one of my own shows . . . that I've written . . . going to Broadway!!!

And if I have my way . . . your show is next! :-)

Best,

Ken
